Dear Robert,

Following our exchange of letters in September regarding Whitby Hospital I have asked my officials to make further enquiries with NHS Property Services (NHSPS) regarding this matter.

I am delighted to be able to confirm that the funding for the redevelopment of Whitby Hospital has now been confirmed by NHS England. NHSPS are therefore moving to the final stages of agreeing a lease with Humber Teaching Hospitals NHS Foundation Hospital for the new space. This work should be completed soon and NHSPS are aiming to start work on site early in the new year

I hope you have found this update helpful.
